大学计划的先导内容。

FurCanada正在开发一个皮料
专业的四年制工商管理学士学位
计划。它将由加拿大土著第一民
族出资。

录取学生60%将来自于土著第一民族群体，
其他学生来源于国外和非土著加拿大人。

时间：2020年3月12-17日

地点：纳奈莫、卑诗省

The Work Shop is a precursor to the University Program FurCanada has laid out. They are developing a 4 year program with a Bachelor of Business Administration Degree Majoring in Fur. It will be financed by Aboriginal First Nations of Canada. 60% of the admitted students will be Aboriginal First Nations people, with the remaining students being Foreign and Non Aboriginal Canadians.

FurCanada目前正在与温哥华岛大学洽谈此计划，因为该校有一个为第一土著民族开设的分校。

FurCanada将以提供实习等项目而成为此计划的赞助商之一。

此总体蓝图是为土著第一民族人民提供一个教育机会以学习他们曾经在加拿大专营400年的产业。

接下来的几天内，FurCanada的土著伙伴将发布一个通讯，《温哥华太阳报》将进行报导。

FurCanada总裁Calvin先生欢迎大家在工作室期间来到纳奈莫并观看他们有意义的宏大计划，为推动第一民族群体教育事业的发展而共同努力。

因FurCanada也将参加中国的第三届进口博览会，此次工作室也将作为参加博览会之前的热身活动。副会长方武将作为我会代表届时亲临工作室给予支持。

FurCanada is currently in discussions with Vancouver Island University about the program as they have a division of the University just for First Nation students. FurCanada will be one of the sponsors of the program, offering internships, etc. The big picture overall is to offer Aboriginal First Nations people education to an industry that they once controlled 400 years ago in Canada. In the next few days their Aboriginal Partners will issue a press release, for which the Vancouver Sun will run with the story.

President of FurCanada Mr. Calvin would like you to come to Nanaimo during their Work Shop and show you what their big plans are in an attempt to make joint efforts to promote the development of the Aboriginal First Nations of Canada education.

FurCanada will participate in the 3rd China International Import Expo, the Workshop will also serve as a warm-up for the expo.

Vice President Angela Fang will show up at the Workshop on behalf of CITPS.
