# INVITATION

Dear Friends:

Proposed by Xi Jinping, President of the People's Republic of China, and co-hosted by China's Ministry of Commerce and Shanghai Municipal Government, the First China International Import Expo will be held in Shanghai in November 2018. Exhibitors from over 200 countries and regions as well as around 150,000 professional purchasers from both China and the rest of the world are expected to participate in the Expo, which will provide you with unlimited business opportunities.

CITPS (Canada International Trade Promotion Society) is entrusted as the exhibition invitation service provider in British Columbia, Canada for china international EXPO 2018. It's our honor to help to organize BC exhibitors to the Expo. If you're interested in participating as an exhibitor, please fill in the attached form at your earliest convenience and send it back to the under-mentioned address or by WeChat/E-mail. We will assist you to enter the huge Chinese market with our utmost efforts. (Please pay attention to our preferential policy and its validity period as per attachment).

We sincerely hope that you will not miss this precious opportunity.

Jeannie Cheng President  
Canada International Trade Promotion Society

# HIGHLIGHTS

- **HUGE CHINESE MARKET, RAPID GROWTH OF CONSUMPTION AND IMPORT**  
With the world's largest population, China is the second largest economy, as well as the second largest importer and consumer in the world. Now China has entered a new development stage at which consumption keeps increasing, indicating enormous potential for the growth of consumption and import. In the next five years, China is expecting to import products and services valuing more than 10 trillion U.S. dollars, which provides a historic opportunity for enterprises across the world to enter the huge Chinese market.
- **IDEAL LOCATION OF SHANGHAI, AS TRADE CENTER OF CHINA**  
Located in the Yangtze River Delta Economic Zone, Shanghai enjoys favorable location advantage, great economic strength, well-developed service industries and the ability to allocate global resources. The container throughput of Shanghai Port has been ranking the first place for seven consecutive years. The passenger throughput of airport exceeds 100 million, with flight network covering 282 cities around the world.
- **LARGE EXHIBITION, DIVERSIFIED AND TARGETED SUPPORTING ACTIVITIES**  
Enterprises from over 100 countries and regions are expected to participate in the first CIIE. Supporting activities such as supply-demand matchmaking meetings, seminars and product releases will be held during the Expo.
- **MULTIPLE MEASURES GUARANTEEING ALLROUND AND EFFECTIVE SERVICE**  
The CIIE will facilitate participation in terms of customs clearance, inspection and quarantine, provide long-term one-stop transaction services online and offline, and strengthen protection of intellectual property rights to safeguard the rights and interests of merchants
- **STRONG PURCHASE DEMAND, A LARGE NUMBER OF PROFESSIONAL PURCHASERS**  
The CIIE will invite Chinese enterprises from across country to come to do business. Merchants from third countries will also be invited to the Expo. It's estimated that 150,000 domestic and foreign professional purchasers will participate in the Expo.

# INTRODUCTION TO THE VENUE

National Exhibition and Convention Center (Shanghai) is the world's largest single block building and exhibition complex with a total construction area of nearly 1.5 million m<sup>2</sup>. Facilities at NECC (Shanghai) include exhibition halls, the commercial plaza, office buildings and a hotel. These four facilities are linked together by an 8-meter-high elevated Exhibition Boulevard so that people can easily traverse these functional areas.

NECC (Shanghai) has a total area of 500,000 m<sup>2</sup>, including 400,000 m<sup>2</sup> indoor exhibition hall and 100,000 m<sup>2</sup> outdoor area. The indoor exhibition area consists of 13 big halls with each of 30,000 m<sup>2</sup>, and 3 small halls with each of 10,000 m<sup>2</sup>, all accessible by trucks. Over 60 fully-equipped conference rooms surround the exhibition halls.

1.5 km away from Hongqiao Transportation Hub, NECC (Shanghai) is linked to Hongqiao Airport and Hongqiao Railway Station by the city's metro line. Because of the convenient national highway network, the major cities in the Yangtze River Delta region are easily reachable within 2 hours.
